AND ELIMINATING IP SPOOFING IN A
DATA TRANSMISSION NETWORK**

Examiner: D. Y. Jung

SUPPLEMENTAL COMMUNICATION

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Further to the Information Disclosure Statement filed December 1, 2005, applicant respectfully directs the attention of the above-identified Examiner to the attached documents:

Nikkei Communications, October 18, 1999, No. 304, p. 101-109, p.185

Nikkei Open Systems, January 15, 2000, No. 82, p.100-103, p. 321

which are English translations of the references cited on PTO Form SB-08 accompanying the original filing. The English translations were not readily available at the time of original filing and therefore submitted herewith. Applicant received the translations less than one month ago and submits them to make the record more complete. Applicant apologizes for the delay. Since the references were previously submitted, it is believed that no fee or statement is due with this communication.

It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 06-2380, under Order No. 58895/P001C1/10316486.

Dated: September 8, 2006

Respectfully submitted,

By Thomas L. Kelton
